

WATER BAN IN EFFECT

This letter is to inform you that the East Bridgewater DPW Water Division will be implementing a water Ban as defined in town by-laws. These restrictions became effective May 1st 2020, due to low stream flow at the USGS Taunton River gauge near Bridgewater, in accordance with East Bridgewater's Water Management Act Permit with the Massachusetts Department of Environmental Protection, and also due to dry weather forecast.

The following restrictions will be imposed:

Water Use Restriction-Tier 1

Effective May 1st, 2023 to September 30th, 2023

Outside water usage allowed on Wednesdays and Saturdays ONLY
from 6am to 8am and from 6pm to 8pm.

Please note as stated in the East Bridgewater Town By-Laws after notification the 1st offense is \$25.00 and every consecutive violation is \$50.00 thereafter.

If you should have any questions please contact the East Bridgewater Water Department at 508-378-1620.

We thank you for your help in preserving East Bridgewater's most precious resource!
